RYE CITY SCHOOL DISTRICT
FOOD SERVICE PROGRAM

News

This is the page to find out the What, When, How and Why of the Rye City School District Food Service Program.

Notifications will be posted here as new information is available, new programs are developed, and present programs are expanded upon.

QUICK FACTS

Visit the PayPAMs page to discover the new on line system that will allow parents the opportunity to view their children's purchases, make on line deposits with the use of a credit card and receive advance notice to replenish lunch accounts via e-mail.

The Food Service Program is pleased to announce the **Healthy Choice Program** at the Elementary Schools. We are creating an atmosphere of nutrition education to assist your children to make healthier choices.

The Food Service Program, in collaboration with the schools is committed to making the school environment a place that supports healthy eating through the education of smarter choices.
